Holiday Program

This summer Active is offering a holiday program in December & January. Our holiday sessions are fun and include gymnastics, ninja, circuits and games! There are morning, afternoon and all-day sessions. An early drop off or extended stay option is also available.

The morning and all-day sessions include a craft activity. The morning session is suitable for children 4yrs+ and the all-day and afternoon sessions for children 5yrs+. Children are grouped with children of a similar age. Children need a healthy snack for the morning session and a snack and packed lunch for the all-day session.

Private Lessons

Private lessons are available these school holidays to Active members and non-members of all ages and abilities. This is a great way to work on a specific skills or apparatus your gymnasts wants to improve in a one-on-one lesson with a knowledgeable coach.

[BOOK ONLINE](#)

Gymnastics Development

These classes are for our Gym Dev Bronze, Silver, Gold and Diamond gymnasts who would like to continue to work on their gymnastics skills over the holidays. External gymnasts may attend but must have prior gymnastics experience.

The class is suitable for children aged 6yrs+.

Squad Training

Our Squad Program breaks over the holidays and will resume on Tuesday, 3 January 2022.

Birthday Parties

During the summer holidays we offer Birthday parties on a Saturday at 1pm and 3pm. Parties include one hour of fun activities with two coaches for up to 30 children and 45 minutes for party food in our table area. The cost is \$450 for up to 30 children.
